CURRICULUM VITAE

Rosanna Ventrella Grimaldi

Professional experience

TO DATE

Vice Chair

Fondazione Compagnia di San Paolo

2008 - TO DATE

Entrepreneur

Organisational and management consultant for Italian companies operating in different sectors. Feasibility studies for entrepreneurial initiatives and start-ups.

2007

Chartered Accountant

Management of payroll and social security contributions for a number of client companies. Ex parte expert witness in employment disputes at the Court of Turin.

Work with law firms on cases involving social security, occupational accident insurance, Revenue Agency, Equitalia, etc.

2005 - 2006

Sales Manager

System Evolution S.r.l. - Turin

Sales activity dedicated to both developing existing customers and winning new customers in north-western Italy, in the following sectors: Finance (Banks and Insurance), Public Administration, Industry, Energy and Services, for consulting projects in the field of software applications (conventional management systems, ERP, SAP). Winning contracts to resolve specific problems, such as: implementation of treasury systems, introduction of IAS standards, Basel II.

2000 - 2004

Business Development Manager Senior

Altran Group - Turin

Management of a profit centre (Business Unit of approximately 80 people). The Business Manager's activity according to the Altran organisation includes three basic functions:

- Recruitment, selection and management of the growth and career plans of resources working in their BU. Personnel policies and remuneration techniques, incentive systems, motivational paths. Training in communication, image and assignment. Type of candidates: exclusively university graduates.

- Research and winning of projects with high innovative/technological content in the finance, automotive, engineering, utilities, public administration sectors. Project management and coordination of the resources and project managers involved. Scheduling and optimisation of resources on projects.

- Negotiation of framework agreements with major customers, management of tenders, orders, approval and control of monthly invoicing through industrial accounting and job order activities, definition of payment terms and optimal treasury arrangements.

Complementary activities:

- Implementation of marketing projects aimed at consolidating the company's image, customer loyalty and organisation of events (company kick-offs, seminars, etc.) and participation in the company's certification process (Vision 2000).

1999

Branch Manager

LT Lavoro Temporaneo S.p.A. - Bari / Temporary S.p.A. - Turin

Commercial development of the branch, management of employees and resources dedicated to seeking and selecting clerical professionals for executive clients. Marketing and brand promotion activities.

Organisation and management of training events for branch employees and temporary workers.

Start-up of the Turin branch: marketing, communication and business plan drafting for cost and revenue planning.

1997 - 1998

Marketing Consultant

Telemaco - Bari

Creation of a start-up aimed at winning and implementing project contracts throughout southern Italy for the implementation of commercial structures (telemarketing and agents).

Subsequently, for **Cemit Direct Media S.p.A. (Mondadori group)**:

- Activities as a business intermediary for winning Direct Marketing projects (mailings to build customer loyalty, creation of catalogues for mail-order sales, sale of databases, campaigns to launch new products, prize collections, etc.).

- Selection and training of sales structures (accounts, telemarketers, agents). Product/service analysis, studies and market research.

- Winning of major clients on behalf of Cemit Direct Media and project coordination (Divani e Divani, Divella, Masserie di Santeramo, etc.).

1992 - 1997

Operational Marketing Manager

Eastern Europe S.p.A. - Bari (Sales Office of Business Agency S.p.A., Milan)

Selection, recruitment and training of the tele-operators team. Organisation and coordination of the pre-sale of management consulting services. Direct marketing operations (products and services).

Budget management, activity planning of telemarketing resources.

Reporting and business data analysis on behalf of the Sales Director.

Creation and management of the Marketing Database on Macintosh and Db 4Th Dimension systems. Management of data purchased from Cerved.

Marketing Consultant for existing customers: telephone and operational marketing systems (mailing, mail order, etc.), for Italian companies.

Implementation of the ISO 9001 certification process, creation of manuals relating to the marketing department and the management secretariat. Management of quality process and procedures. Organisational analysis and process optimisation. Reason for change: failure of the corporate group.
